www.hiptac.org

You also have the opportunity to meet one-on-one with Deputy Schwartz afterwards.

***Reservations required prior to workshop for this service.**

Presenter: Martha Schwartz
Deputy for Small Business
Code 013 SSC - Pacific

The Hawai'i Procurement Technical Assistance Center (HI-PTAC) invites you to attend a free workshop on “Doing Business with SPAWAR”. Ms. Schwartz has over 20 years of experience working as a representative to SPAWAR for small businesses.

In this workshop you will learn to:

- Register for SPAWAR contracting opportunities
- Locating bid information
- Work within the command to market your products and services
- Identify prime contractors servicing SPAWAR
- Identify other events for marketing opportunities

Advanced Registration Required.
